For the purpose of this policy, the following definitions apply:

Generally, any conflict that may have occurred prior to the past year is not applicable and should not be considered a Level 1 or Level 2 conflict.

**Criteria/Rules**

See Exhibit A.

*Note: Should a conflict arise that is not outlined within the policy, the AASM Board of Directors has the rights to decide the most appropriate level of conflict to apply.*

**Conflict of Interest (COI) Committee**

The committee shall consist of no fewer than 3 and no more than 5 members. Each member of the committee shall be a member of the Board of Directors. The committee members shall be appointed annually by the Board of Directors. The Immediate Past President is Chair of the COI Committee. The President and the Executive Director shall serve as ex-officio members of the Conflict of Interest Committee.

**Mandate**: The Conflict of Interest Committee assists the board with the annual review of the
AASM’s conflict of interest policy and implementation of the conflict of interest policy. The committee also serves as a panel to review conflict of interest and make recommendation of appropriate action to the Board.

**Procedure for the COI Committee**

1) New nominees to the BOD and AASM committees and task forces identified by the Nominating Committee and the Committee on Committees are asked to complete COI forms. All current BOD and committee members must also complete a yearly COI form in July each year. The executive director must also complete COI forms in July of each year and submit these to the COI Committee.

2) These forms are reviewed by the staff and all levels 1 and 2 conflicts of interest with respect to new nominees are referred to the COI Committee. Any changes in COI of existing members are also referred.

3) The committee meets as needed (conference call or e-mail discussion) to review these conflicts.

4) As needed, the committee reports conflicts to the BOD or Executive Committee. Nominees or existing board or committee members are informed about the policy regarding levels 1 and 2 conflicts. Committee chairs are notified about level 2 conflicts of their members.

5) For level 1 conflicts, the replies of the persons involved are referred back to the COI Committee to assess whether the conflicts have been resolved. The committee reports back to the board.

6) Should a change of circumstances occur during the course of the year, committee and board members must promptly complete a new COI form which will be reviewed by staff and referred if necessary to the COI Committee for review.

7) A similar process will apply if a new task force is set up in the course of the year.

8) All COI forms will be retained in the AASM office but will not be placed on the website. However, they will be released on written request by a member of the Academy or the public.

**Failure to Disclose**

1. The Board of Directors shall have the right to take whatever steps it deems necessary against any person who is required to submit a COI form but fails to disclose a current level 1 or 2 COI. These shall include, but not be limited to, removal from office and banning that person from holding any further office in the AASM for a specified or unlimited time. The same shall apply to persons with level 2 COI who do not recuse themselves as required by these rules.

2. Failure to submit a timely COI form may result in removal from office at the discretion of the BOD.
